

## WORKPLACE HEALTH & SAFETY

HR for SmallBiz offers a WHS service to assist businesses in managing risks along with providing safety consulting and training solutions that meet the needs of the specific State's safety legislative requirements.

HR for SmallBiz offers affordable and effective solutions to meet their WHS consultation and training compliance requirements. Our business has the expertise to assist you with bridging the gap in legislative and industry requirements to ensure a safer, compliant, productive and profitable workplace.

Some of our specific services include:

- WHS Management Systems Development and Implementation
- WHS Policies and Procedures
- Employee safety training sessions
- Conduct On-Site Risk Assessments
- Workplace Inspections and Corrective Action Plans
- WHS Audits
- Training Needs Analysis
- Rehabilitation and Return to Work Programs
- WHS Committee Meetings and Documentation
